

The meeting was called to order at 7:00 p.m. in the Activities Room of the University Center by the President Ed Leary. The minutes were corrected as follows: Under Planning Board, McAllister should be Applegate; under Publications Board, Lowe did not say what was quoted of him; under New Business, Publications Board should be Planning Board. The minutes were approved as corrected.

PRESIDENT'S REPORT

Congressman Olson is leading the fight against doing away with the student fares. Leary said that a letter was being sent to Congress. He passed around a petition concerning the support of the student fares for airlines. He read a request concerning the selection of texts applicable for three quarters. He asked the C.B. to vote to affirm this request and then it would be sent to the faculty. BARNESSE MOVED THAT THE CENTRAL BOARD AFFIRM THE STATEMENT OF REQUEST. McALLISTER SECONDED. Linsay said it served no purpose, and that it was asinine. Leary said people are getting stuck with \$15.00 books that the bookstore won't buy back within the year. Linsay said this would suffice for survey courses. Leary replied that is impossible to go through the catalogue and select who can and can't have three quarter texts. LOWE MOVED TO AMEND THE MOTION BY DELETING THE LAST TWO PARAGRAPHS. SCANLIN SECONDED. THE MOTION PASSED THE ORIGINAL MOTION PASSED WITH WICKS ABSTAINING. Concerning Bill 172, Leary said that he, John Hanson, and Kaneshiro testified against it when it was brought before the legislature for discussion last Friday. Pantzer and some others were for the bill. The bill was killed, and Leary said that he felt their testimony was beneficial in this decision. Leary said that he received an estimate on the tennis courts construction at \$10-15,000. He asked C.B. to ask the Storeboard for allocations from their trust fund. Peterson said the estimate was excessive if there was more than a few courts that were going to be built. Pantzer said they would kick-in the remainder if ASUM did get an allocation from Storeboard. BROWN MOVED THAT CENTRAL BOARD ASK STOREBOARD FOR \$15,000 TO CONSTRUCT THREE TENNIS COURTS. MORRISON SECONDED. The courts would be built adjacent to the original courts. Lowe said if we and the administration split the cost, then there would be the chance that the administration would use them for P. E. purposes. THE MOTION WAS PASSED. Leary said he was asking for two more students for the positions on the Fieldhouse renovation committee. He now has several applicants for the two positions, but he wants more. The phones for the U. Center are arriving.

ATHLETICS

Thirty people attended the M Club meeting.

AUXILIARY SPORTS

Mazurek said that they had their budget request meeting, and were tentatively allocated \$17,000.

FIELDHOUSE AND PHYSICAL PLANT

Parker remarked that the cost accounting that had been asked of him was too detailed to prepare, Leary said.

FINE ARTS

Their tentative budget has been adopted. There will be no more meetings until next quarter.

PLANNING BOARD

LOWE MOVED THAT A DRAFT COUNSELOR BE ESTABLISHED BY ASUM AND FUNDED BY ASUM FUNDS. BRIGGS SECONDED. Lowe said it would have to go before Budget and Finance after C.B.'s approval. The cost would be \$6500 the first year, then \$6000 every year after that. An explanation of the duties and concerns of the counselor was given by Rob Sand. Barsness questioned whether this was education or evasion of the draft, and reminded C.B. that they were over their funding in budgeting now. Lowe gave incidents where the counselor would be helpful. Sand said he would be quite knowledgeable concerning the draft laws, etc. Gorton questioned whether anybody but a lawyer could be as knowledgeable on the subject. Brown commented that maybe we should hire someone to help with income tax as a similar counselor. Hanson asked if any draft matters came up would ASUM be liable. Sand said they would not. Scanlin felt that the counselor should not be full-time. There was a question of the Placement Center having the same information. Sand said they had no information that pertained to the subject. Lowe said he felt it a duty to let the draft-eligible people know their rights and the limits of the draft laws. Linsay questioned the person's qualifications who would work for such a low salary. Applegate said the American Friendship Committee would present a qualified and interested candidate for a counselor even for \$6000. Kaneshiro said it should be the cost of the student seeking the information, rather than an ASUM funding. MORRISON CALLED FOR THE QUESTION. THE MOTION WAS DEFEATED. APPLE-GATE MOVED WE RECONSIDER THE PRESENTATION AND THAT IT BE SENT BACK TO PLANNING BOARD WITH BETTER ARGUMENTS AND TAKING INTO CONSIDERATION THE DISCUSSION OF THE PREVIOUS MOTION. SCANLIN SECONDED AND THE MOTION PASSED WITH WICKS, BARSNESS, AND GORTON AGAINST, HANSON AND BROWN ABSTAINING. LOWE MOVED THAT CENTRAL BOARD PLACE ON THE BALLOT TO HAVE THE \$8.00 ATHLETIC FEE CHANGED TO BE UNDER REGULAR FEE AND THE ATHLETIC FEE BE UNDER THE JURISDICTION OF BUDGET AND FINANCE. APPLGATE SECONDED. Swarthout said under the wording of the bill, the athletics department could get either \$1 or \$120,000 as there was no amount set. He said they were in the process of building up the athletic department with what he felt was a good program, therefore they needed the allocation they have been getting. Briags said this wasn't an indication of a dislike of the athletics, but was an attempt to see where the funds could be best put into use where they were needed. Penland said all the students wanted to know was where their \$8.00 was going. Swarthout said they are recruiting from December through summer and it helped to have some idea of the funds they had. Lowe said he felt we should have an

election now, but that Swarthout should have the \$8 for next year so he can work on what he has planned. GORTON CALLED FOR THE QUESTION. THE MOTION PASSED WITH MAZUREK, BARSNESS, BROWN, AND McALLISTER ABSTAINING. LOWE MOVED THAT CENTRAL BOARD SUPPORT THE ABOVE MOTION THAT THE \$8 BE UNDER STUDENT JURISDICTION. APPELATEGATE SECONDED. Barsness said it was like trying to rig an election. Applegate said the students have the right to handle this money therefore we should pass this motion. GORTON CALLED FOR THE QUESTION. THE MOTION WAS DEFEATED. (10 - 5 - 3)

PUBLICATIONS BOARD

SCANLIN MOVED THAT C. B. ACCEPT MARILYN PELO AS FEATURE EDITOR OF THE KAIMIN. SCHAFFER SECONDED. THE MOTION WAS CARRIED. SCANLIN MOVED THAT SALLY SULGROVE BE APPOINTED AS ASSISTANT TO THE BUSINESS MANAGER. SCHAFFER SECONDED. She explained that the two applicants were of equal quality and the vote was 3 for Sally Sulgrove, and 3 for Judy Scott, with one abstention. Therefore she broke the tie with a vote for Sulgrove on the grounds of grades and experience. THE MOTION PASSED WITH APPELATEGATE AND LOWE ABSTAINING.

STUDENT SERVICES

Leary said the questionnaire from the women students was at the computer center now.

PROGRAM COUNCIL

Meyers said that Parker Wyman spoke last Tuesday. They have taken their budget to Budget and Finance and it was cut \$1400. Wednesday night is the National Shakespeare Company presenting "Othello". The Council is progressing on Interscholastics. Lowe stated that there wasn't enough publicity on the noon "no-host" luncheon.

BUDGET AND FINANCE

Barsness said that they met for three hours Tuesday night. They tentatively allocated Program Council \$30,000 from \$31,400. John M. asked for a sound system from the Storeboard trust fund. Barsness was asked if the policy on budget submittance could be put on the fiscal year rather than a school year. Barsness said the budget was operating on the University fiscal year. The budget is now \$27,000 over budgeted now. Auxiliary Sports was allocated \$17,000 from \$11,700. Leadership Camp was allocated the same \$700 as last year. The allocation of the Miss U. of M. pageant was tabled until a complete report could be given. The Garrett was allocated nothing because the committee felt it wasn't completing a very good job. They felt they could measure student interest in it by no allocation this year. Questions were asked of Barsness about the Garrett and other allocations. BARSNESS MOVED THAT THE MOTION TO RAISE THE STUDENT LOAN INTEREST RATE FROM %3 TO %5 BE TAKEN OFF THE TABLE. GORTON SECONDED. THE MOTION WAS PASSED. He said by raising the interest rate we could be bringing more money in, but since this was not a money making business, he recommended that we defeat the motion.

THE MOTION WAS DEFEATED WITH BARSNESS ABSTAINING. He referred to a letter from ASG asking for \$100 dues. Applegate said we could expand though the conference phone rather than the ASG Convention. Briggs defended the ASG. SCHAFFER MOVED WE PAY THE DUES TO A.S.G. HANSON SECONDED. Applegate spoke against it again. Morrison said that by not paying dues, it wouldn't necessarily hamper our attending the regional ASG convention. LEARY YIELDED THE GAVEL: He said that to the other parts of the country, Montana is just not that important. BARSNESS CALLED FOR THE QUESTION. THE MOTION WAS DEFEATED, 9 - 8 - 1. BARSNESS MOVED THAT AS A SUB-ALLOCATION TO AUXILIARY SPORTS, THE HELLGATE FLYING CLUB BE ALLOCATED \$100. BRIGGS SECONDED. Mazurek said that they were not on the budget last year. The Club is open to the public, but it is comprised mostly of students from the U. THE MOTION PASSED WITH HANSON AGAINST, AND LOWE, APPELATE, SCANLIN AND AABERGE ABSTAINING. BARSNESS MOVED THAT THE RIFLE CLUB BE ALLOCATED \$275. SCHAFFER SECONDED. Brown questioned this, because just two years ago they had taken it off the budget. Barsness explained the reason because of distance to the practice field and last of interest. THE MOTION PASSED WITH APPELATE, LOWE, AND BRIGGS ABSTAINING. BARSNESS MOVED THAT THE RODEO CLUB BE ALLOCATED \$900. GORTON SECONDED. Their budget last year was \$450. THE MOTION PASSED. BARSNESS MOVED THAT THE ASUM PAY ED LEARY AND GEORGE KANESHIRO \$20 FOR FOOD AND GAS ON THEIR FRIDAY TRIP TO THE LEGISLATURE. BROWN SECONDED. THE MOTION PASSED WITH MAZUREK AGAINST, WITH APPELATE AND SCHAFFER ABSTAINING. Barsness said there will be a special Budget and Finance meeting on Saturday at 1:00. It is open to the public. BROWN MOVED THE MEETING BE ADJOURNED. GORTON SECONDED. AND THE MEETING WAS ADJOURNED.
